Join us in building  
a healthier future

CORPORATE GIVING

At NorthShore Hospitals Foundation, Part of Endeavor Health, we believe in the power of philanthropy to transform the health of our community. Our ongoing mission to “help everyone in our communities be their best” is made possible thanks in large part to the generosity of our donors and corporate partners. **We invite you to join us today.**

## Together, we can

**Care for the medically underserved, uninsured, and underinsured** through assistance paying for medications, mental health counseling, emergency and preventive care and more.

**Support specific impact areas such as** The Endeavor Health Cardiovascular Institute, Kellogg Cancer Center, Center for Personalized Medicine, or our Orthopedic & Spine Institute, to name a few.

**Fund clinical programs and medical research** providing our patients with access to the latest novel treatments and therapeutic options right in their own back yard.

**Prepare the next generation of physicians, physician-scientists and nurses** for leadership roles through academic scholarships and fellowships.

### Community-Centered Care

Jane, the former Community Health Center (CHC) Practice Manager, noticed an unattended baby carrier in the clinic lobby and quickly found Althea, the baby’s young mother, in the restroom vomiting. Understanding the urgency, Jane and a nursing colleague helped Althea to an exam room, where she was stabilized and diagnosed with low blood sugar. An interpreter from Endeavor Health Evanston Hospital was brought in to ensure clear communication, and it was discovered that Althea had recently moved from the Philippines and was referred to the CHC. After a consultation with an endocrinologist, Althea was transferred to Endeavor Evanston Hospital for further care. Thanks to this compassionate team effort, Althea recovered and now receives regular monitoring at the CHC. Both mother and baby are thriving as they adjust to life in the Evanston community.

## Ready to join us?

Partnering with NorthShore Hospitals Foundation elevates your company’s reputation, ignites employee passion and morale, deepens your connection to groundbreaking healthcare advancements, and shines a spotlight on your commitment to the community. There are many ways you can be part of transforming the future of healthcare in our community.

### Corporate Giving

Consider making a direct donation to NorthShore Hospitals Foundation to causes important to your own philanthropic priorities, such as Care for the Medically Underserved, Infant Special Care Unit, Cardiovascular Institute, Neurological Institute, or any other department or program.

### Matching Gift Program

One in three employees say they’d give more if their company made a matching gift, and 84% said they’re more likely to make a donation if there’s a company match. Your company can match your employees’ donations to NorthShore Hospitals Foundation 1:1 or consider doubling or tripling your employees’ donations.

### Employee Giving Program

Nearly 90% of employees say their job is more fulfilling when they’re provided opportunities to make positive social impact. Successful corporate philanthropy leverages the passions and interests of the company’s workforce. Make it easy for your employees to donate to NorthShore Hospitals Foundation through payroll deductions.

### Corporate Event Sponsorships

Corporate event sponsorships provide an opportunity for your company to impact the health of our community while increasing your public visibility. NorthShore Hospitals Foundation hosts several events throughout the year, including the Associate Board’s Annual Benefit. These event sponsorships allow your company to engage with business partners and patients as well as network with like-minded corporate leaders.

“Philanthropy benefits everything from our clinical care to being able to provide additional support services to our patients, including things like integrative care and helping them access their appropriate treatment options.”

Poornima Saha, MD, Breast Medical Oncologist

Part of  Endeavor Health™

## Who We Are

### Endeavor Health

Endeavor Health is a fully integrated healthcare system committed to providing access to quality, vibrant, community-connected care. The hospitals within this network encapsulate a “community” of 1.6 million people in 55 ZIP codes in Lake County, northern Cook County and Chicago’s North Side.

### NorthShore Hospitals Foundation

NorthShore Hospitals Foundation, part of Endeavor Health, raises funds to advance the mission, strategic goals, clinical services and programs for the four hospitals located in the North Region of Endeavor Health—Evanston, Glenbrook, Highland Park and Skokie. When you partner with NorthShore Hospitals Foundation, 100% of your donation supports programs and departments in the North Region of Endeavor Health.
